

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 9061**

October 27, 2021

**SUMMARY OF BILL:** Establishes a new discriminatory practice under the *Tennessee Human Rights Act*, making it a discriminatory practice for an entertainment venue, that receives public funds for the operation or maintenance of the facility, to exclude, limit, segregate, refuse to serve, or otherwise discriminate against an individual based on the individual's vaccination status, whether the individual has a vaccine passport, or whether the individual has a document showing proof of a negative test for COVID-19.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- The addition of this discriminatory practice under the *Tennessee Human Rights Act* is not estimated to significantly increase the number of phone calls, online complaint submittals, or caseload processing on behalf of the Tennessee Human Rights Commission. Any additional complaints as a result of the proposed legislation are estimated to be handled within existing resources.
